## POLA RAPID - BUY 3 GET 1 FREE\*

### PLUS A BONUS LUNA 2 XB OR 2XB SYRINGE

#### POLA RAPID

Pola Rapid is an in office whitening treatment that safely whitens teeth in a 24 minute application time.

#### Enhanced blue gel for faster application

Pola Rapid uses an advanced blue gel for ease of visibility and application. The easy to apply non-stick gel enables faster application and removal.

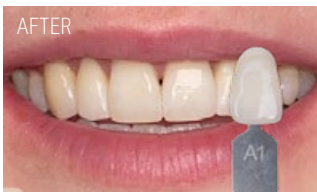

#### Built in desensitisers

Pola Rapid has unique built-in desensitising properties. Potassium nitrate penetrates to the nerve endings, blocking transmission of nerve impulses to provide a desensitising effect. The high water content of Pola Rapid ensures maximum comfort during and after treatment. The shorter treatment time results in less patient discomfort and lower sensitivity.
